

## PUBLIC TRANSPORT

South Bank is conveniently located near the heart of Brisbane but suffers none of the congestion or access problems thanks to being comprehensively serviced by buses, trains and ferries. South Bank Station services 4 of the 5 lines in the Brisbane Rail Network including Brisbane Airport via Airtrain and a direct link to the Gold Coast. South Bank Busway Station services all the southern bus routes and is only four minutes to the Myer Centre. The South Bank 3 City Ferry Terminal is a mere 250 metres from Southpoint, while terminals 1 and 2 service CityCat Terminals from the University of QLD to Brett's Wharf in Hamilton.
